Subject: SIRAS Update 8/25/2025

Hi All,

Office Hours:

FYI, there will be no office hours this Thursday.
Office hours will resume Thursday Sept. 4th

Reporting Period Lock:

You may have noticed that the reporting period lock has been adjusted for the upcoming Fall 1 census date of 10/1/2025.

Please keep in mind CALPADS has suggested not sending data to CALPADS until after they complete their Fall rollover on 9/9/2025.

IFSP districts who want to report their transition meetings with the new PLAN field format will need to wait until after 9/9/2025 to send PLAN information in the new format.
