Hello All,

Couple of items.

IDEA Anniversary, DRDP, SIL Conference, Urgent Certification help.

I would be remiss not to mention that this year is the 50th Anniversary of IDEA!

Yes that amazing law that provides funding for students with disabilities.

You may have noticed your SELPA staff adding some SELPA flair to their signatures.

We have not posted DRDP errors just yet, trying not to distract staff who are still working to meet tomorrows deadline!

Our lead Sales Rep Dan Brown is at the System Improvement Leads Conference in Palm Springs today and tomorrow.

If you are there feel free to say hi and see what he is up to!

Tomorrow is the Fall 1 Certification Deadline and if you are still fixing errors, we need them fixed and reported today to make that deadline.

If any of you are struggling with last minute errors please feel free to reach out to me directly on my cell number - (805) 869-3879

If I am not able to pick up please, please leave a message with the best phone number to reach you at.

Also, I will be hosting a last minute emergency office hours today at 1pm.
