**Subject:** SIRAS Update 3/12/2026

Hello All,

A quick update regarding the new CALPADS login procedure.

As you may have seen CALPADS is having all users create a new login credentials with username@calpads.org

There is a cut off to start using this new form of credentials by 5/1/2026.

If you are attempting to send data to CALPADS, please continue to login with your existing CALPADS login to do so.

Even if you have converted your account, you should still be able to login with your older existing credential of your regular email.

The API connection won't work with the new @CALPADS.org username until your current SEDS vendors update the API connection mechanism to work with it.

SIRAS development is currently working on implementing the changes now.

We will let you know when you can connect to the API with the new @CALPADS.org username in SIRAS with an upcoming email announcement.

**Current Issue:** Data exports are not working as expected today. We expect resolution by e

Speaking of emails, SIRAS is looking to upgrade our communication lists.

We will be retiring this current list in fall in favor of more focused lists.

What we will be looking for from each LEA district are the following points of contact (First/Last/Email):

- Primary SEDS coordinator and District/School SPED clerks (data people)

- **Primary SIS integration/enrollment contact (data person who maintains SIS integration with SIRAS and works with Primary SEDS coordinator)**
- **Acting 'SPED Director' (official title may vary)**
- **Primary SPED coordinator (person who can relay important SIRAS updates to IEP teams)**
- **TOMS/Accommodations coordinator contact**
- **DRDP coordinator contact**
- **IFSP coordinator contact**
- **504 coordinator contact**
- **SST coordinator contact**

**We understand that it may be one person for several roles or several people for some roles.**

**We will keep you posted on updates to our list to ensure all interested parties are included moving forward.**

**Kind regards,**

**Brian**
