Subject: SIRAS Update 6/5/2026

Hi All,

Happy Friday!

- Office hours
- Email updates
- DRDP reminder
- PSTS reminder
- SIS integration update

Office hours

There will be no SPED clerk office hours next week on 6/9/26.

Office hours will resume on 6/16/26

Email updates

SIRAS is doing it's spring update on email addresses soon.

Stay tuned next week for further email communication updates.

DRDP reminder

Please ensure your DRDP Not Started/Incomplete is down to zero.

PSTS reminder

How is the survey process coming along.

Best practice, local batch printing of survey forms, follow up with phone calls to get answers.

SIS integration update

SIRAS updating existing and creating new records from SIS data will be turned off by June 8th and back on in August. New records will have to be created manually during that time.

We appreciate all you do!

Kind regards,

Brian
