Subject: SIRAS Update 7/17/2026

Hi All,

Congratulations on being certified for EOY1!

If anyone has any last-minute need of support, please reach out as soon as possible today.

Next week I won't be hosting my office hours on 7/21/26 but my office hours will resume on **7/28/26**.

We are part way thru the rollover process. Many of your districts have already been rolled over.

We will be rolling districts over this **Saturday 7/18** and the following **Saturday 7/25**.

As clarified on this page, like each year despite any typos.

<https://sirassystems.happyfox.com/kb/article/324-before-rollover-help/>

See 'before' and 'after' documentation.

Hope everyone has a wonderful weekend.

Kind regards,

Brian
